OPEN HEARTS - OPEN MINDS - OPEN DOORS

To quote the "Blues Brothers", "We are on a mission for God." Of course we are. Every church and in fact every Christian is on a mission for God, but all those missions look different.

During a video conference on Thursday, January 30, attendees from all over the Mountain Sky Conference were asked to remember the mission statement of the United Methodist Church, "The mission of the church is to make disciples of Jesus Christ for the transformation of the world."

We were also asked to remember the mission statement of the Mountain Sky Conference, "The Mountain Sky Conference of The United Methodist Church will live in God's Grace and abundance as we lead a re-energized peaceful and compassionate movement to claim the life-changing love of Jesus Christ for ALL people." Most of us didn't know that one.

Then we were asked to discuss the mission statements of each of our churches. The Bishop said surely each of us could recall it from memory? It was then that I realized that I hadn't seen a mission statement for Hygiene UMC actually written down. I guess I had always assumed that we operated under the mission statement of the United Methodist Church.

In the end, we were encouraged that "The mission statement should cause the Church to share God's love in tangible ways by being a lifechanging, lifegiving mission outpost in the communities we serve."

Over the next few months, let's work on creating our Hygiene UMC Mission Statement to help us be the Church our community really needs.

See you Sunday.

HUMC People—Alice Hayne

by Amy Bowman 1/30/20

And who better to begin this endeavor with than Alice Hayne? I interviewed Alice at lunch on her 86th birthday last January 5th. Alice, her daughter Valerie, Janis and I all met up together to celebrate after church at Chile's Restaurant in Longmont.

Alice was born in the little house at 4th Street & Main on January 5th. Her parents were concerned about the weather that Winter living on a farm west of Hygiene.

As a result, Alice has been coming to this church since she was 6 months old! Her father, Henry Johnson, was born in 1887 in nearby Windsor. Henry's family originating from Sweden has produced 6 generations through the years. And the next time that you're in the chapel be sure to look on the wall near the organ for a cross that Alice's mother made.

When Alice was 17 years old, she lost one of her 3 brothers to a drowning accident. She remembered the incident as if it took place yesterday. However, Alice went on to create a strong career in bookkeeping for NCAR over the next 25 years. One week she even handled the entire payroll for some 900 employees. Alice is not only good with numbers, she has been a very serious Broncos fan for the past 30 years. She even owns an original seat from the old Bronco Football Stadium in Denver!

Alice married Ralph Haines in 1952. Ralph was working for the Trojan Theater in Longmont, and he was a member of the National Guard. Alice and Ralph had 3 children: Valerie, Mark and Sonny. Finally, I asked Alice what she liked best about the little church in Hygiene, and she said, "it feels like home to me... oh and, Andy!" I couldn't agree with you more Alice!

Small Group Study

Pastor Rick will be starting a new study starting March 4th. Like the last time, this will be both in the afternoon and in the evenings on Wednesdays.

Stay tuned for the specifics!
